SENZA FORI

I disegni delle trafile sono indicativi. Il numero dei fori cambia in base al modello della macchina.

The drawings of the moulds are merely illustrative. The number of holes changes depending on the machine model.

Les dessins des filières sont donnés à titre indicatif. Le nombre de trous varie en fonction du modèle de la machine.

Die Abbildungen der Einsätze sind nur als Beispiel zu verstehen. Die Anzahl der Löcher ändert sich je nach Maschinentyp.

Los gráficos de las moldes son indicativos. El número de agujeros varía según el modelo de la máquina.

Рисунки вставок следует рассматривать только в качестве примера. Число отверстий зависит от типа станка.

Trafile formati vari in lega ottone-bronzo
 Brass-bronze alloy mould in different shapes
 Filières d'étrirage de différentes tailles en alliage laiton-bronze
 Nudel-einsätze in verschiedenen Formate aus Messing-Kupferlegierung
 Moldes de diferentes medidas y tamaños en aleación de latón-bronze
 Насадки для макаронных изделий для различных форматов из латунно-бронзового сплава
